I don't believe OCFO incorporated information from the science transparency proposal signed yesterday. Please find attached a revised response with information from the press release.

Michael(s) and Lance:

I drafted this from the FY 2018 HAC QFRs. Of course I don't really know what OP is doing with regulations. I also pulled from one of their FY19 Fact sheets.

Not sure if you can let us know if this is still true. I hope so.

Thanks!
